

RIVER WALK?

Clemmons, Bermuda Run and Lewisville are studying the feasibility of building multi-use greenway trails along both banks of the Yadkin River to link community parks, neighborhoods, and recreational facilities in the area. The greenways would connect to sidewalks and other planned greenway trails.

Come to the community meeting to learn more and give your input.

6:30 p.m. Mon., Nov. 1
Tanglewood Park
Clubhouse Ballroom
(Park entrance is free for meeting attendees)
