Re: Community Manager

Dear Board of Directors:

I am writing to inform you that 11/13/09 will be my last day working for CAS, Inc. It's been pleasure to work with you and your neighbors.

My husband and I are relocating back to Florida, however I am leaving you in capable hands.

I would like to take this opportunity to introduce Shannon Ragan to the Kernersville Office and to the CAS, Inc. Triad Family. She has several years experience in Community Management and will be able to jump in to things here without missing a beat.

Here is Shannon's contact info:
