

RECORD OF EMAIL VOTE

SINGLE FAMILY BOARD

On or about May 31, 2012, President Dick Heriot requested an e-mail vote from the Single Family Board on whether or not to pursue getting bids to audit the financial books as the SFB transitions from one management company to another.

The resulting vote was 4 votes to pursue the idea and one strongly worded vote to not pursue the audit.

Copies of the email are on file with the secretary.
